

WINDSOR POLICE SERVICE

COMMUNITY SERVICES BRANCH

February 26, 2018

To Whom It May Concern,

I am writing to you on behalf of the Windsor Police Service in support of the Windsor Residence for Young Men. The Windsor Police Service is always eager to collaborate with WRYM in delivering anti-violence, mentoring & consulting initiatives.

Police Services core function is to prevent crime and educate the public. WRYM engages young men and does the same for the population they serve. The Windsor Police Service has sustained a long running collaboration with programs delivered by WRYM. This partnership works hand in hand with practiced principals in the area of gaining trust and building relationships with the community we serve.

It has always been an honour and privilege to serve alongside staff and administration at Windsor Residence for Young Men as they continue to lead the way in delivering strong well thought out programs to the young men of the City of Windsor.

Sincerely,
Sgt. Wren Dosant
